Events

The Landscape Institute offers lectures and other special events throughout the year. Listings are available on our website, under the News & Notices section, www.landscape.arboretum.harvard.edu. If you are interested in being included on our mailing list, email landscape@arnarb.harvard.edu.

Study Tours

The Landscape Institute offers intensive study-travel courses to a variety of locations with rich landscape and cultural history. This year will include trips to China, England, Costa Rica, the Dominican Republic, Italy, and France. Tours are led by Landscape Institute faculty and associates. Tours are open to the public and unique in their focus on the landscape and their connections with organizations involved in relevant studies. The Institute's academic affiliations, faculty, and alumnae network enhance the student experience of being a cultural guest. The tour style, accommodation, travel, and academic arrangements will vary. Study Tours are now available for history or design credit. This year's tour program will be finalized in the Spring/Summer catalog and posted on the website as they open for registration.

Exhibitions

The Fall/Winter Exhibitions Schedule follows. More details will be available on the News & Events page of the Landscape Institute Website, www.landscape.arboretum.harvard.edu throughout the season.
