Manuscripts and Published Articles collection, 1882- : Guide Archives of the Arnold Arboretum of Harvard University 125 Arborway, Jamaica Plain, Massachusetts

© 2023 President and Fellows of Harvard College

Descriptive Summary

Repository: Archives of the Arnold Arboretum of Harvard University, Jamaica Plain, MA

Call No.: IX MPA

Location: Archives

Title: Manuscripts and Published Articles collection, 1882- .

Date(s): 1882-

Creator: Authors of manuscripts and articles, material compiled by Sheila Connor

Quantity: 17 linear inches, 3 boxes

Language of material: English, French, German

Abstract: Consists of manuscripts, articles, papers, and in-house publications about the Arnold Arboretum.

Note: Access to Finding Aid record in [HOLLIS](#).

Preferred Citation: Manuscripts and Published Articles collection. Archives of the Arnold Arboretum of Harvard University.

Processing Information

2012, Larissa Glasser, Sheila Connor. Revised 2023, Larissa Glasser.

Acquisition Information

Provenance: The collection was begun in 1984 when the archive was established.

Terms of Access

Researchers seeking to examine archival materials are strongly encouraged to make an appointment. The Director, or an office of origin, may place restrictions on the use of some or all of its records. The extent and length of the restriction will be determined by the Director, office of origin, and the Archivist.

Terms of Use

The copyright is held by The President and Fellows of Harvard College for the Arnold Arboretum Archives of Harvard University. The copyright on some materials in the collection may be held by the original author or the author's heirs or assigns. Researchers are responsible for obtaining written permission from the holder(s) of copyright and the Arnold Arboretum Archives prior to publishing any quotations or images from materials in this collection.

Photocopies may be made at the discretion of the Arnold Arboretum Archives staff.

Permission to make photocopies does not constitute permission to reproduce or publish materials outside the bounds of the fair use guidelines.

Historical Note: The collection was created over time by Sheila Connor, Horticultural Research Archivist. Its initial intent was to provide a record of the material, both published and unpublished, about the history and mission of the Arnold Arboretum to support the research being undertaken about the institution by Arboretum staff.

Scope and Content

Collection consists of original manuscripts, published articles, and in-house publications, a substantial amount of the collection consists of photocopies, and each item is arranged in folders by chronological order from 1882-

Arrangement

The collection is arranged into 1 series.

Series I: Manuscripts and published articles
