Katsuras: Hearts of Gold
Join Curator of Living Collections Michael Dosmann under the katsura trees as we prepare for autumn’s arrival. Learn about some of the Arboretum’s oldest accessioned plants, why their leaves change color, and what makes them smell like burnt brown sugar while they do it. Meet on Meadow Road at accession #: 882*B.

Nearest Gates:
- Arborway Gate, park along the Arborway.
- Centre Street, limited spaces.
