Join a Tree Mob on **June 4 at 5:00pm** to learn about disjunct species. Tree Mobs are brief interactions in the landscape and living collection with specialists at the Arnold Arboretum. Join us in the landscape for some spontaneous learning.

**Learn about future Tree Mobs:**
- Follow us on Facebook or Twitter
- Scan a QR code (below)
- Mobile Tree Mob: http://arboretum.harvard.edu/mobile/treemob.html

**Chionanthus Here and There**
Nancy Rose will speak about *Chionanthus retusus* and *C. virginicus*, two disjunct species. These fringe trees are found on widely separated continents, one in Asia and the other in North America. Compare their similarities and differences, and consider how they have evolved and adapted in their disparate homes. Meet in the Explorers Garden on Bussey Hill at Accession 13051*A* at 5:00pm on Tuesday, June 4.

**Nearest Gate:**
Bussey Street Gate, park on the street. Arborway and Forest Hills Gates, park along the Arborway. South Street and Centre Street, limited parking.
