The Papers of Frederick Law Olmsted

< http://holliscatalog.harvard.edu/?itemid=|library/m/aleph|013881469 >
Call number: A OL57 OL57 v.8

"Like previous volumes, _The Early Boston Years_ is a comprehensive compilation of design proposals, project reports, personal and professional letters, miscellaneous writings, and numerous illustrations—all diligently contextualized by the editors’ extensive footnotes... It and the other volumes are absolutely crucial to understanding both the history of American landscape and the extent to which Olmsted helped to shape it." — Andrew Menard, _New England Quarterly_
