Hellstrip Gardening: Create a paradise between the sidewalk and the curb by Evelyn J. Hadden. Call number: Rt H11

The hellstrip—the space between a street and a public sidewalk, also known as a tree park, boulevard, meridian, and planting strip—is finally getting the attention it deserves! Gardeners everywhere are taking advantage of the space as an environmentally friendly way to add curb appeal to their homes, expand the size of their gardens, and conserve resources.

Hellstrip Gardening is the first book to show you exactly how to reclaim this oft-ignored space.
